

The FAA Safety Team presents:

Mixing Aviation and Medicine Session at HAI HELI-EXPO 2015

This session will look at the similarities and difference between the worlds of aviation and medicine. Focus will be on sharing the medical side of air medical programs with those in the aviation world and will explain and address medical terminology, as well as the challenges and rewards of being in air medical transport. Rotor Safety Challenge course are FREE to all HELI-EXPO 2015 attendees and exhibitors. Attend at least six Rotor Safety Challenge sessions and receive a certificate of recognition. Take the Safety Challenge in three simple steps: 1. Select safety sessions to attend from the HAI Rotor Safety Challenge Schedule - <http://www.rotor.com/takethechallenge>. 2. At the conclusion of each session, receive a token from the room monitor or presenter. 3. Once you have earned at least six chips, take them to the HAI Safety Committee Booth (#1115) to receive a certificate of recognition. Note: You must present your HELI-EXPO attendee badge to attend any Rotor Safety Challenge sessions. For more information contact HAI at 703-683-4646, or <mailto:education@rotor.com>.
